REFERRED BY (How did you hear about us?): _____

I give permission to the doctors of Health Centered Dentistry to monitor progress as well as provide therapy, and teach Neuromuscular relaxation therapy techniques (reducing restriction to proper motion) above and below the dental region for the purpose of reduction of dental stress on the musculoskeletal system throughout the body. I understand Dr. Laughlin has continued education and experience in the field of Deep Muscle Therapy and realize the need of this approach for reduction of muscle tension throughout the body including the TMJ. I further give the doctors permission to consult (in regards to my health care) with other health care providers, insurance companies, attorneys, and other professionals who may be able to provide information that may be pertinent to my condition. I also give permission to Health Centered Dentistry to use my Study Models, Photographs, Slides, X-rays, and other case documentation, for demonstration and education purposes which may include published articles, books, magazines, seminars, or multimedia publications. Phone numbers and addresses will not be disclosed without additional consent.

Payment Policy

Payment Guidelines for Services Provided:

Payment by CASH, CHECK, or CREDIT CARD is due on the day of service.

Payment plans may be available after your first initial appointment.

We do want you to be aware that we assess finance charges of 1.5% per month (18% per year) on overdue accounts. We also charge for late cancellations and broken appointments.

I understand I am financially responsible to Dr. John D. Laughlin III for all charges incurred.

**PAYMENT IN FULL IS ALWAYS EXPECTED ON THE DAY OF SERVICE.
(unless alternative arrangements have been made prior)**

Insurance

If you have dental insurance, please provide us your dental insurance card at your first visit. We will submit your dental claim to your dental insurance for you. Your insurance company will then reimburse you directly.

Health Centered Dentistry is not a part of any insurance network and therefore is considered “out of network” coverage.

We do not submit to medical insurance.

We are unable to accept/submit medical assistance or Medicare.
